The Office of the Principal Scientific Adviser to the Government of India

Result for Call for Logo Design Contest for Science and Technology (S&T) Clusters

PSA Prof. Sood unveiled the official logo of the Science and Technology (S&T) Clusters during the 3rd All S&T Clusters Meet held in Vishakhapatnam on 9-10 September, 2025. The S&T Cluster logo was designed through an open competition held in August, 2025.

The logo represents an analogy of a chip on the motherboard interconnecting different peripheries, underscoring the clusters' role in linking academia, industry, start-ups, and government.

The logo was designed by Mr. Alok Mohanty.
